Second Annual Report of The Water Commissioners

During the past year we completed the work at pump house, and extended the service pipe to the last house on River street. This proved to be very expensive owing to the unexpected amount of rock excavations which more than doubled the estimated cost.

We made 19 new service connections, and installed 31 new meters. We have found it necessary to remove most of the old meters and provide new ones in their place. The iron deposit in the water from the old system filled and clogged the meters so they would not work satisfactorily.

We now have 55 service connections and are supplying about 75 families.

AUDITORS' REPORT.

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Water Commissioners, Fire Wards, Cemetery Trustees, Library Trustees, School Board and School Treasurer for the year ending Feb. 15, 1917, and find them correctly cast and properly vouched.

We find that the Road Agent's bills rendered to the Selectmen correspond with the orders issued to him.

William B. Graham, James H. Downes, *Auditors*

Cemetery Trustees' Report.

In the spring of 1916 we had the leaves raked up, the walks put in order and the grass cut so that on Memorial Day the cemetery was in good condition. Owing to the frequent rains in the early spring, the grass looked green for a longer time than usual, and needed trimming more.

We righted up quite a number of head stones and graded up lots where needed that were in perpetual care.

We received from Mrs. Wm. J. Tatro, twenty-five dollars, the interest to be used on the John Beaton lot; from Joseph E. Merriam, one hundred and fifty dollars, the interest to be used on the Geo. F. Merriam lot; from Charles S. Cowdrey, one hundred dollars, the interest to be used on the Sumner L. Cowdrey lot.

Flowers were placed upon all perpetual care lots on Memorial Day.

Fire Wards' Report.

The Fire Wards respectfully submit the following report:

During the past year the department has answered two alarms; one for a fire at the Congregational parsonage on Pleasant street, Oct. 27th, the other at the home of David Proulx, Dec. 2nd. Very little damage was done at either place.

There have been a great many still alarms during the year, many of which would have been serious had they not been attended to at once.

The department suffered the loss of Mr. C. A. Preston, who died July 29th. He was a charter member of the company and one who will be greatly missed. He had served faithfully for many years as clerk and treasurer of the company.

We have purchased a number of hand fire extinguishers to be placed in various parts of the town so that the town will be better protected.

The company appeared in uniform, May 30, by invitation of Herman Shedd Post, G. A. R.

The Annual Library Day of the Greenville Woman's Club was observed on Nov. 27th. Mrs. Donald McDonald of Boston gave a dramatic recital from a play written by herself from the life of Napoleon.

The library has been open every evening and Saturday afternoon the past year and while the number of visitors has not increased, the number of books loaned is in excess of the preceding year, which shows the appreciation of the patrons of the library.

Report of the School Board
of
GREENVILLE, N. H.

FOR THE YEAR ENDING FEB. 9, 1917

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see how much money the District will raise and appropriate for the support of Schools.
9. To see if the district will vote to have Medical Inspection.

To the Citizens of Greenville.

We herewith submit the following report:-

Schools opened March 27 with Miss Alice M. Hodsdon in charge of the Grammar room and Mrs. Frances A. Blanchard as assistant. Miss Mary G. Eastman teacher in the Intermediate room and Mrs. Violet W. Livingston in the Primary. No change in the Music or Drawing Supervisors was made from the previous year.

May 9 a case of diptheria was reported and all pupils who were known to be exposed were quarantined. No new cases developing these pupils were notified to return at the proper time.

The Intermediate and Primary rooms closed June 15 for the summer vacation. June 16 the pupils in the Grammar room gave a pleasing program and Miss Olive Wright, the only pupil to be graduated from the school in 1916, was presented a diploma by the Chairman of the Board.

On July 29 the whole town was shocked to learn of the death of Mr. C. A. Preston following a sudden illness of the previous day. He had served the town in many capacities and as a member of the School Board for 15 consecutive years. In that position he had proved himself a man of unusual ability as shown in all matters pertaining to business and also in his friendliness and thoughtfulness for the children under his supervision. A man of most exemplary character and sterling worth his loss is keenly felt.

The repairs during the summer were more extensive than some years past as it had been found necessary to replace the toilets in the boys' basement. These repairs commenced under Mr. Preston's supervision were satisfactorily completed.

The Fall term opened Sept. 5 with Miss Hodsdon in the Grammar room, but the number of pupils being less than usual it was thought an assistant was not necessary.

Miss Nellie Hayes, a graduate of Plymouth Normal School, had been engaged for the Intermediate room and Mrs. Livingston was continued in the Primary.

Sept. 30, H. P. Upham was appointed by the School Board to fill the vacancy for the rest of the year, caused by the death of Mr. Preston.

The yearly enumeration of children between the ages of 5 and 16 was made by Wm. H. Doonan as follows:

Boys 150

Girls 159

The schools closed for the Winter vacation Dec. 15.

According to custom the pupils assisted on Memorial Day in decorating the soldiers' graves. Lincoln's Gettysburg address was given at the cemetery by a number of pupils from the Grammar room.

New books have been added as needed and during the Spring term Winston's Cumulative Encyclopedias were purchased. Our proportion of the expense of No. 6 school at Mason has been smaller than usual as has our High School tuition, having had but three students at secondary schools this year for which the district paid.

All legal holidays, visiting day for the teachers and the Thanksgiving recess have been observed but only one session has been lost owing to severe storms.

The school year of 38 weeks closed February 9.

The following pupils are entitled to a place on the roll of honor:
